Increase of work is shown necessitating increase of nurses. So the third nurse asked for may be allowed.

4) The rate of increase in the emoluments proposed, is based on the rates being paid in the neighbouring Lunacy Boards hospital. By sanctioning the addl nurse Govt relief will be obtained for the existing 2 nurses. The emoluments to be given may to a certain extent be based on this relief.

5) Instead of having so many allowances it may perhaps be easier to have all ~~them~~ Consolidated into an adequate Local allowance.

23/12 6) As ration & clothing allowances are given to the nurses in the Minto and other hospitals there is no financial objection to the proposals being sd.

SIR,

I have the honor to forward herewith duly verified a proposition statement in duplicate for the revision of the establishment of the Civil Hospital, Robertsonpet, Kolar Gold Fields, received from the Senior Surgeon together with his letter No.165 dated 24th November 1916.

The proposition is to entertain a nurse on a pay of Rs.15/- with a Gold Field Allowance of Rs.2/- in addition to the existing two nurses and to give a ration allowance of Rs.10/- and a clothing allowance of Rs.2½ to each of the three nurses.

The financial effect of the proposition will be an addition of Rs.54-0-0 per mensem or Rs.654/ per annum to the permanent recurring expenditure of the State, and the Senior Surgeon suggests that the additional cost involved by the Proposition, if sanctioned during the current year, may be met from the savings in Matron's pay in the same institution as the place of matron has not yet been filled up.

Sir,

THROUGH, The Comptroller, with the

Sir, Govt of Mysore, Bangalore.

In forwarding herewith, for favour of sanction, a proposition statement for the revision of the establishment of the Civil Hospital, Robertsonpet, Kolar Gold Fields, I have the honor to submit as follows:-

The opening of the new European Wards has increased the No. of beds from 24 to 40 and the daily average No. of In-patients is now 29.1 and is tending to increase daily. Three would be minimum No. of Nurses required for such an Institution to adequately look after the Nursing work.

The present two Nurses (Midwives) are drawing a pay of Rs.15 and a Gold Field allowance of Rs.2 each. To add to their income they often try to go out to take up private labour cases but, in the interests of the poor patients, are not allowed to go out. This works as a hardship, to remove which and to secure their presence in the Hospital premises, both day and night, I request that Government may be pleased to sanction the grant of a ration allowance of Rs.10 and a clothing allowance of Rs.2½ to each of the three Nurses in addition to their present pay, Rs.15 and a Gold Field allowance of R..2 each.

Subject.

Forwarding for sanction, a proposition statement for the revision of the Establishment of the Civil Hospital, Robertsonpet, Kolar Gold Fields.

The grant of these allowances will not only remove a hardship, but will also make the emoluments of these Nurses nearly equal to what the Nurses in the neighbouring Mining Boards' Hospital are reported to be getting (Viz., Rs.30.). Similar ration and clothing allowances were sanctioned by Government to the Nurses of the Minto Ophthalmic Hospital and those of the Shimoga District Hospital.

The proposal results in an addition of Rs.54½ per month, to the recurring charges of the institution, or Rs.327 during the remaining six months of the current official year, which can be met from the savings under Matrons Pay in the same institution as the place of Matron has not yet been filled.

I have the honor to be,

Sir,

Your most obedient servant,

For Senior Surgeon,
